Our Capabilities Extend Beyond Cutting-Edge Products

Discover the benefits of Terrazzo & Marble Supply Companies helping people by providing a single source terrazzo supplier.

Dedicated Sales Force

Our architectural sales force aggressively promotes terrazzo flooring systems to the architectural and design communities and specifying organizations such as AIA, ASID, CSI and IIDA. With a long and reputable 75+ year history in the terrazzo flooring business, our industry insight is backed by practical, hands-on experience.

Knowledgeable Service Center

Whether it is sending samples to present a job design, helping to select the right material for your next project or troubleshooting potential job site pitfalls, our terrazzo sales desk is there to help you every step of the way. With one call, our service experts will provide you with the insight and solutions you are looking for to complete your project.

Industry Advocate and Leader

Helping to shape the ever-changing landscape of the terrazzo business, Terrazzo & Marble Supply is an active member of various terrazzo organizations such as NTMA, NCTA, TPC, TANS, CSTA, TTMAC, SWTA and WSTA. Through our close industry ties and proven, quality products, we are continually working to enhance the level of integrity and craftsmanship of the terrazzo trade.

Epoxy Terrazzo Installation Matrix

| Installation Stage | Product Offering | Description |
|----------------------|---|--|
| Floor Preparation | Terroxy Moisture Vapor Treatment | Allows for prevention and elimination of moisture problems facing your terrazzo flooring systems. |
| | Terroxy Primer | Promotes the adhesion of terrazzo topping to the surface of the substrate. |
| | Terroxy Fill | For use as a leveling and patching mortar to be used under Epoxy Terrazzo. These systems are composed of economical VOC compliant epoxy resins blended with durable graded aggregates. |
| | Terroxy Iso-Crack Epoxy Membrane / Acoustical Membrane | Provides crack resistance and noise protection for your flooring. |
| Strip | Aluminum Strip Brass Strip Zinc Strip | Enhance design flexibility and functionality, separate colors and reference construction joints to preserve structural integrity. |
| | Joint Filler | 100% solids epoxy for referencing contraction (saw cuts), isolation and cold joints. |
| Matrix | Terroxy Resin (Part A) & Terroxy Hardener (Part B) | The epoxy matrix binds the chips and strips in place and serves as the canvas of a floor's design. T&M's custom tinting provides endless color options from which to choose. |
| Chip | Domestic Chip Recycled Glass Chip Imported Chips Fines | Available in numerous colors and sizes, terrazzo chip and fill provide animation and texture to any surface. Coupled with an epoxy matrix, a floor's design possibilities are only limited by the imagination. |
| Grouting & Polishing | T&M Floor Grinders T&M Base & Border Machines Ermator Vac T&M Dry Vac 2000 E-Z Grind Diamond System Grinding Pads & Stones | Terrazzo grinding equipment and accessories for a smooth, polished finish. |
| Grouting | Terroxy Epoxy Matrix | Provides cosmetic enhancements to a floor's surface after rough grinding and prior to polishing. |
| | Terroxy UV Clear Resin | A universal, clear resin for multi-color projects. |
| | Accelerated & Rapid Set Hardener | <u>Accelerated Hardener</u> Fast Cure Hardener |
| Sealing & Finishing | T-Rx Coating Terroxy Acrylic Sealer Terroxy WB Acrylic Sealer Terroxy WB Urethane Sealer | Enhances the luster of your chips' color while also offering protection. |
| Clean Up | Terroxy Trowel Lubricant | This versatile substance also acts as a cleaning solution for your tools and supplies. |
| | Terroxy Terra Clean | A neutral, pH emulsifying cleanser that will remove grout film. Also may be used as a restorer and for daily maintenance. |
