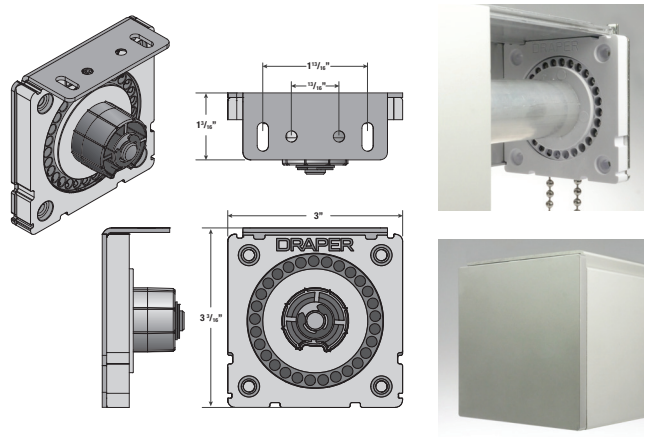
MANUAL CLUTCH FLEXSHADE® NEXD

NEW! FULLY ASSEMBLED CASSETTE STYLE

FlexShade® NEXD Next Generation XD Cassette Syle.



FlexShade® NEXD Next Generation XD 3" Clutch details.

Ready for installation, the wall- or ceiling-mounted NEXD Clutch-Operated FlexShade offers the flexibility to choose an optional, fully assembled cassette style system, a standard set-up with endcaps, or endcaps with fascia. With a 3 3/16" (81 mm) profile, this premium manually-operated window shade includes pre-drilled jamb mounting holes and a height-adjustable idler bracket for fine leveling adjustments after installation. The NEXD Clutch-Operated FlexShade features a heavy-duty clutch built for durability that provides ease-of-use and low maintenance for commercial, healthcare, institutional, or educational settings.
