

Yuh Wall

The fixture primarily provides direct glare-free downward directed light. The angle of the shade can be adjusted to optimize light distribution. A slim opening in the top of the shade provides soft, ambient upward illumination. A mechanical system provides great freedom of movement, so the light can always be set in the ideal position in the workspace, living room etc. Build-in LED technology provides a high quality of light with stepless dimming at 15 to 100%. Timer function to automatically turn off the light after amount of time, selectable between off/4 hours/8 hours. Function to set a fixed light level each time the lamp is connected to main power. The switch and dimmer button is placed on the wall box.

GamFratesi

GamFratesi's design take their creative drive from a fusion of tradition and innovation in an experimental approach to their chosen materials and techniques. Each with their own traditional background, Stine Gam and Enrico Fratesi draw on classic Danish furniture and craftsmanship as well as a classic Italian intellectual and conceptual approach.

Product info

Finish

White or black. Matt wet painted.

Materials

Shade and wall box: Die cast aluminium. Stem: Extruded brass.

Mounting

Cable type: Plastic cord. Cable length: 2,5m. Stepless dim between 15 and 100%. Timer function: 4 hours/8 hours. Light control: Switch on the wall box. LED Driver: integrated in the wall box.

Sizes and weights

Width x Height x Length (mm) | 296 x 626 x 296 Max 4.6 kg

Class

Ingress protection IP20. Electric shock protection II w/o ground.

Light source & energy class

LED 2700K 10W

Information

A single push button located at the lamp will control the functions on/off and dimming. Turn on/off the light with light fading in/out. Stepless dim of the light to a suitable level between 15 and 100%. Timer function to automatically turn off the light after amount of time, selectable between off/4 hours/8 hours.
