

# LP Xperi

The fixture provides direct downward illumination and is self-illuminating. The fixture is available in two distributions – round symmetrical and asymmetrical light distribution, as well as with an uplight distribution or with an aluminum cover for no uplight.

## Christian Flindt

Christian Flindt (1972-) graduated with an MAA and MDD from Aarhus School of Architecture in 2002. He then started his own design company in 2003. Here, he placed high emphasis on communication between people, and his focus on this area finds expression in his approach to re-evaluating furniture.
