

# Panthella Table

The fixture emits a soft and comfortable illumination. The hemispherical shade reflects the light downwards, and the material used ensures that the majority of the light is spread diffusely in the room from the surface of the shade.

## Verner Panton

Verner Panton (1926-1998) is famous for his inspirational and colorful personality. A unique person with a special sense for color, shape, light function and space. Over the course of his career, Panton introduced a series of modern lamps with personalities unlike any of his Scandinavian contemporaries.
